PROCEEDS BENEFIT OUR NONPROFIT PROGRAMS

Since 2010, NTAC has been marketing goods and services, online, as a means of raising funds for vital grass-roots and community-based nonprofit trainings. It has proven to be an effective strategy for raising funds - both through donations from our funders and through purchases by our constituencies. Shopping for Good has many benefits. All the items in this catalog have either been donated, outright, or provided at a reduced price. We hope you'll find something special in your purchase and in choosing this way to give back.

Should you have any questions, please do not hesitate to contact us at Dr.Durrah@neighborhoodclinic.org.
